Career Opportunities Audit & Assurance

Accountancy, Tax and Advisory to us is more than laws and figures. As a member of the world’s fifth largest Accounting, Tax and Advisory organization, you will add to the industry’s highest level of service to a dynamic and wide-ranging client-base, across virtually all industries. BDO-WTS has vacancies for three positions. If you are interested, please call Jamil Tromp or send an e-mail at info@bdoaruba.com.

Experienced Supervisor

Together with your team, you not only check the financial statements and business processes, but you also work on special investigations depending on your experience and interests. With each customer, you work in a team, with the composition of that team differing per client. As an independent accountant, you make an important contribution to companies to accurately reflect their financial situation. Our customer portfolio is very diverse and ranges from family businesses to corporate clients, public organizations, and internationally operating companies.

We are looking for a person that has successfully finalized or is finalizing his/her RA, AA or BE study, supplemented with 7/9 year relevant work experience, a business mind and excellent communication skills testifying to empathy.

Experienced Assistant Accountant

Driven by the continuous and increasing demand for affordable professional services with a focus on the personal relationship with the client, we are always looking for new colleagues. Depending on your talents and interests, you may specialize in accountancy or focus more on business advisory, where your supervisor will assist you with whatever he/she can so you can optimally add value within the team and to the customer.

We are looking for a person with an MBO/ HBO work & thinking level, broad experience as an all-round administrator, supplemented with five years relevant experience, problem solving and analytically strong personality with a practical and proactive attitude.

Assistant Accountant

BDO offers you a good start of your career in the accounting practice. You work in a team of experienced colleagues and get the opportunity to further develop yourself in the full width of the field, demonstrating your affinity with the primary business processes of the client.

We are looking for a person with an MBO/ HBO work and thinking level, preferably with experience as administrator, geared towards solving problems and analytically strong. Ample knowledge of and skills with accounting packages and excel is a benefit.

Your Tasks & Our Offer

In any of our job opportunities, you will be expected to perform different types of tasks. These will be discussed with you personally and tailor-made to your skill set and stage of career, while we offer you the chance to continue developing yourself. Your career and private life can be combined well at BDO-WTS and we offer you a good salary and an excellent secondary benefits package.
